Greek II (Daniel Senning, ddsanning@gmail.com, 605 Catalina Dr., Greensboro, NC 27403)

1. Need to listen to the three overview audio lessons from Bill Mounce:
 - a. [Prepositions and εἰμί](#)
 - b. [Adjectives](#)
 - c. [Third Declension](#)

2. Complete the review for the Greek exam. This will substitute for the exam. I would encourage you to write out all answers. There are two or three that might be difficult for you to get, but I want you to attempt. I will allow you to miss three answers with no penalty, but the only stipulation is that an answer must be attempted. Contact me if you have any questions.
