

2021 Winter Modules

Winter Modules are 4-night courses available to current students, new students enrolling in the Fall, and non-enrolling attendees. **Each module is a total of \$60.00; payment is due by the first night of class.** Payment is non-refundable once a class is attended. If you are degree-seeking, each module will earn one credit toward a certificate or diploma if you have not already completed the course during a previous semester.
