Spring 2023 - Christian Service Program

The Christian Service Program is designed to promote opportunities for students to gain hands-on ministry experiences in church settings. Students are allowed one program experience per semester. Each experience is granted one course credit (if completed), which may be applied to a student's program of study to meet graduation requirements. Christian Service has a time target of **15 hours / 900 minutes**. Students are asked to primarily focus on one or two ministries per semester, however, students may request up to three areas of service. Examples of accepted service opportunities include preaching, teaching a class of any age, nursery/ children's/youth ministry, technology, music, evangelism, outreach ministry, church maintenance, etc., as long as it is structured, operated, and supervised under the direction of the church.
